Kindergarten is the first step in your child's school experience. Kindergarten Orientation is an opportunity for children to become acquainted with kindergarten classrooms and teachers. It is also a time for parents to receive information about Edgemont Primary School and the Kindergarten program. Kindergarten orientation is designed to help parents enroll their children, including the completion of health forms, and to assist students in becoming acquainted with future friends and the school environment. Parents and students will meet the school principal, kindergarten teachers, be provided bus safety tips and ride a school bus. Students will also participate in various learning stations; gross motor, fine motor, reading, and math stations. Dinner will be provided.

Kindergarten orientation is an excellent way to build an important partnership between home and school.
